---

### **CLASSE ELEVAGE**

The Classe Elevage [Breeder's Class] will consist of entries of a minimum of 3 dogs per team. You may include more dogs if you have them but there may be no more than five dogs per team. All dogs must have been produced by the same breeder but do not necessarily have to be related to each other (although that presumably could be highly likely); nor do they have to be currently owned by the breeder. The purpose of this class is to judge the CONSISTENCY of the dogs produced by that breeder. At least two of the 3 dogs must be entered in a regular class in the show. (Spayed or Neutered dogs may be included, but no more than one dog on a team of 3; or two dogs on a team of 4 or 5 may be altered.)

The teams will be separated by VARIETY although both varieties will compete in the same class, at the same time; but there is no distinction by sex so dogs of either or both sexes can be presented on a team. Therefore, a breeder could have more than one team entered; i.e. one team of all Orange and White dogs, and a second team of all "Other Color" dogs. If a breeder has a sufficient number of dogs in one variety (more than 5), they may enter more than one team per variety as long as each team has at least 3 dogs per team. Each team will be considered as a separate entry and will be judged separately.
